LED Work Light

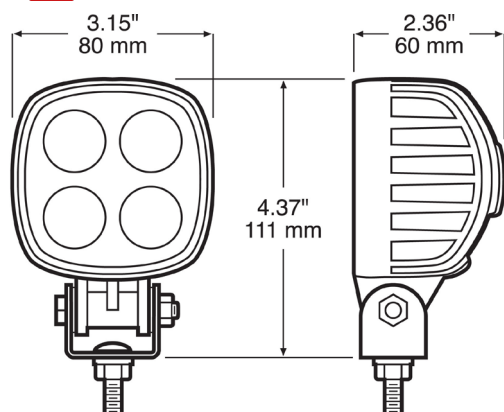

## Images

## Specifications

<b>Functions:</b>	Compact LED work light
<b>LEDs:</b>	4 x 3W super bright white diodes
<b>Output:</b>	900 lumens nominal light output
<b>Colour temperature:</b>	6500K
<b>Light pattern:</b>	Utility flood/spot light
<b>Certifications:</b>	ECE Reg 10: 10R E9 04 6881
<b>Dimensions:</b>	80 x 80mm, 'rounded square' design
<b>Voltage:</b>	Multivoltage
<b>Operating range:</b>	9-32Vdc
<b>IP rating:</b>	IP67
<b>Operating temperature:</b>	-40°C to +65°C
<b>Mounting:</b>	U-bracket with M10x25mm bolt, nut and washer
<b>Wiring:</b>	30cm long sheathed cable Black wire = power White wire = ground
<b>Current draw:</b>	1.6A @ 13.5Vdc / 0.7A @ 28Vdc
<b>Reverse polarity protection:</b>	Yes
<b>Warranty:</b>	3 years

## Dimensions

## Materials

<b>Lens:</b>	Polycarbonate
<b>Housing:</b>	Aluminium die cast, black E-coat finish
<b>Mounting:</b>	Stainless steel U-bracket with M10x25mm bolt, nut and washer

## Part number

PM-913-MV	LED work light, compact
