Vehicle lighting solutions

by design, by technology, by quality

EXCEPTIONAL QUALITY FROM A
BRAND YOU CAN TRUST

3039 effective lumens

High output, compact design

Flood pattern

Multi-voltage 10-30Vdc

Optimised performance through
smart temperature control system

Integral Deutsch DT connector

Certified to ECE Reg 10

IP69K rated

PM-923-MV
LED worklight, 4 diodes

DATA SHEET

PM-923-MV

LED work light, 4 diodes

Specifications

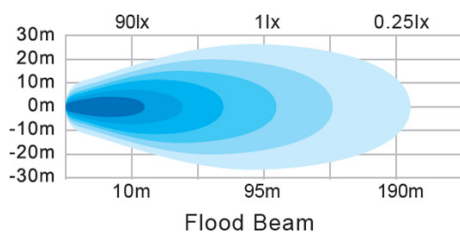

Functions:	LED work light Optimised performance through smart temperature control system
LEDs:	4 x Osram 10W diodes
Output:	4000 raw lumens 3039 effective lumens
Light pattern:	Flood
Certifications:	ECE Reg 10
Dimensions:	3 inch cube light
Voltage:	Multi-voltage 10-30Vdc
IP rating:	IP69K
Wiring:	500mm cable fitted with 2 way Deutsch DT connector
Power rating:	40W
Current draw:	3.55A @ 12V / 1.82A @ 24V
Reverse polarity protection:	Yes
Warranty:	3 years

Dimensions

Materials

Lens:	Polycarbonate
Housing:	Aluminium, black ED-coat finish
Mounting:	Stainless steel U-bracket

Part number

PM-923-MV LED work light, 4 diodes

+44 (0) 1296 340045
